

Family friendly event with food, fun, and fellowship

## Presenting 2022 Overdose Awareness Day and Memorial Walk

Please come out and join us for the 7th annual Overdose Awareness Day and Memorial Walk as we remember those lives lost to the disease of addiction and to raise awareness about the opioid epidemic our country is currently facing.

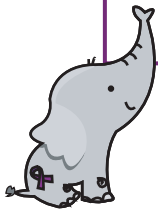

All money raised at this event will go towards raising awareness in the community, providing education and advocacy to community members, and providing financial assistance in the form of scholarships to individuals starting their recovery journey.

For more information please email us at [community@bridge2recovery.org](mailto:community@bridge2recovery.org)

*\*Please bring **NEW** blankets, twin sized sheets, towels, feminine hygiene products, socks, underwear and toiletries (trial size) (we have plenty of bar soap, toothbrushes and toothpaste).\**
